Newfoundland and Labrador Heritage Society
Lower Mainland, British Columbia

Dear Sir/madam

Thank you very much to the Lower Mainland Heritage Society for awarding me the Ed Norman Memorial Scholarship. I am honoured and privileged to have my name associated with such a prominent organization.

As a mature student returning to school for the first time, in more than twenty years, the challenges can be overwhelming. It is satisfying when hard work gets rewarded

I very much appreciate the \$500 cheque that was presented to me.

Sincerely

Dean House
Engineering Student
