Award donor, Ed Norman Memorial Scholarship

RE: Ed Norman Scholarship

It is a great honor for me to receive the Ed Norman Scholarship. I wasn't aware that I was eligible for this award, so needless to say when Mr. Marshall and Mrs. Hayley-Coles informed me that I had been awarded this scholarship; it came as quite a shock. I greatly appreciate this scholarship; it means so much to me. It has proven to me that all my hard work over the last year has paid off.

Thank very much,
